

(c) *Publication of proposed application.*

(1) The applicant shall publish a proposed application consisting of the proposed community development activities and community development objectives in order to afford affected citizens an opportunity to:

(i) Examine the application's contents to determine the degree to which they may be affected;

(ii) Submit comments on the proposed application; and

(iii) Submit comments on the performance of the applicant.

(2) The requirement for publishing in paragraph (c)(1) of this section may be met by publishing a summary of the proposed application in one or more newspapers of general circulation, and by making copies of the proposed application available at libraries, government offices, and public places. The summary must describe the contents and purpose of the proposed application, and must include a list of the locations where copies of the entire proposed application may be examined.

(d) *Preparation of a final application.* An applicant must prepare a final application. In the preparation of the final application, the applicant shall consider comments and views received related to the proposed application and may, if appropriate, modify the final application. The final application shall be made available to the public and shall include the community development objectives and projected use of funds, and the community development activities.

(e) *New York grantee amendments.* To assure citizen participation on program amendments to final applications that require HUD approval under § 570.427, the grantee shall:

(1) Furnish citizens information concerning the amendment;

(2) Hold one or more public hearings to obtain the views of citizens on the proposed amendment;

(3) Develop and publish the proposed amendment in such a manner as to afford affected citizens an opportunity to examine the contents, and to submit comments on the proposed amendment;

(4) Consider any comments and views expressed by citizens on the proposed amendment and, if the grantee finds it

appropriate, modify the final amendment accordingly; and

(5) Make the final amendment to the community development program available to the public before its submission to HUD.

§ 570.432 Repayment of section 108 loans.

Notwithstanding any other provision of this subpart, a unit of general local government in a nonentitlement area where the State has not elected to administer the CDBG program shall be eligible for Small Cities Grant assistance hereunder for the sole purpose of paying any amounts due on debt obligations issued by such unit of general local government (or its designated public agency) and guaranteed by the Secretary pursuant to section 108 of the Act (see subpart M of this part). The award of grant assistance for such purpose shall be consistent with section 106(d)(3)(B) of the Act, in such amount, and subject to such conditions as the Secretary may determine. Since guaranteed loan funds (as defined in § 570.701) are required to be used in accordance with national and primary objective requirements, and other applicable requirements of this part, any grant made to make payments on the debt obligations evidencing the guaranteed loan shall be presumed to meet such requirements, unless HUD determines that the guaranteed loan funds were not used in accordance with such requirements. Any such determination by HUD shall not prevent the making of the grant in the amount of the payment due, but it may be grounds for HUD to take appropriate action under subpart O of this part based on the original noncompliance.
